Daily room cleaning

The hotel cleans the room once a day, between 10:00 and 15:00.

If, during this period, the people cleaning the room leave the door on the outside of the room saying "Do not disturb!" "Do not disturb" warning sign is found, the cleaning of the room will not be carried out, therefore the guest cannot claim a fee reduction or compensation.

From an environmental point of view, the hotel only changes towels placed on the bathroom floor.

Damages

In the event of vandalism or damage, an extra fee will be charged, depending on the extent of the damage.

The hotel's responsibility for compensation:

The hotel is responsible for damage caused to the guest's things brought into the hotel, with the exception of things excluded from entry.

In the case of cash, securities, and valuables, the hotel is only obliged to compensate the damage caused if the guest has placed them in the room safe.

The hotel specifically draws the attention of the guest to place their cash, valuables, and securities in the safe in the room.

If the safe does not work or does not work as intended, the guest must inform the hotel reception immediately. The guest bears the responsibility for damages resulting from failure to provide information or late information.

The hotel is only liable for damage caused to the guest's other belongings if the damage occurred in a place normally used by the guest or open to the guest, for example: the hotel room, corridor, lobby, garden, parking lot.

For the damage caused in this way, the hotel is obliged to pay a maximum of fifty times the daily room price paid by the guest.

The hotel is released from its obligation to compensate if it proves that the damage

was caused by an irreparable cause beyond the control of the guests and employees, or that the damage was caused by the guest himself.

The guest uses and uses the hotel's equipment, wellness and other services as intended, with awareness and knowledge of his own health, physical and mental state, therefore for damages resulting from use or use that is not intended or not in accordance with the actual health, physical and mental state of the guest the hotel excludes its responsibility.

The guest can request a wake-up call at his own risk, which is a gesture of attention on the part of the hotel, it is not part of the hotel's contractual service. The hotel is not responsible for any damages resulting from the failure to receive the requested wake-up call or a late wake-up call.

Data protection

The hotel provides information about the guest's current, past and future stays at the hotel to third parties, including the guest's close relatives, only based on the guest's prior written permission. This prohibition of information does not apply to inquiries based on the law.

The guest acknowledges that the hotel is required by law to provide the requesting authority with the guest's personal data requested in the request, if the legal requirements are met. The hotel cannot object to the provision of data based on legislation, official or court decisions.

"Do Not Disturb!" warning sign

The hotel employees clean the rooms continuously from 9 am.

The guest is called "Do not disturb! By hanging a "Do not disturb" warning sign on the outside handle of the room door, it clearly indicates that hotel staff should not disturb, knock or enter the room.

The "Do Not Disturb! The guest places the "Do not disturb" warning sign on the outside handle of the entrance door at his own risk and responsibility. If on the day of the guest's departure, the staff of the hotel leaves the door handle of the guest's room with the message "Do not disturb! "Do not disturb" warning sign is found, and the guest does not respond to the hotel's phone call, so the hotel staff can enter the room at any time after 11:00 a.m.

In an extraordinary situation (e.g. fire, terrorist attack, etc.) without a prior phone call, or when the hotel reasonably assumes, based on the information available to it, that the guest's life, health, physical integrity, property security is or may be in danger in the room, and the guest is the hotel does not respond to your phone call, the hotel staff are entitled to enter the room.

Our wellness area opening times on weekdays and weekends

6:00-11:30, 14:00-20:00

Our fitness room opening times on weekdays and weekends

06:00-20:00

Guests may use the wellness and fitness sections free of charge.

Wellness

1. Finn sauna

The Finn sauna is made of resin free pine, which can be heated up to 80 – 100 °C by annealing the volcanic rock. As a result of the hot air the temperature of the body rises which leads to the dilation of the veins thus reducing blood pressure. The cold water afterwards has a totally opposite effect: the veins narrow and the blood pressure grows. This pumping effect can improve blood circulation. It can be used effectively for locomotive diseases and respiratory catarrh which demands the betterment of blood supply. It can also repair the skin, it gets more elastic and the sebaceous gland deplete. It also helps the betterment of the resistivity of the body.

2. Steam cabin

If the temperature in the sauna is too high you can relax in the steam cabin in 40 – 45 °C. Sweating is guaranteed which is ensured by the high humidity (90- 95%). Its beneficial effect is similar to that of the sauna, but the sauna makes you sweat intensely while the less hot, wet steam is humane. The warm air not only makes you relaxed but also liberate endorphin in the body. With the help of a steam cabin we can easily loose some unnecessary weight. The use itself reduces weight however with proper sport activities the result is fascinating.

During this pleasant half an hour the human body can lose as much fluid and energy as by medium term running but without the exertion of the joints.

3. Infra sauna

The infra sauna can be well-combined with aroma and colour therapy. The recommended temperature is between 30-50°C. The colours are notoriously include such forms of energy which have different effects on us. Colour therapy is advisable to use to prevent illnesses and as a complementary therapy for treating physical-spiritual and mental illnesses.

4. Salt therapy

Salt therapy treatments use the beneficiary effects of salt. Salt therapy is a perfect occasion to protect our health, to prevent several illnesses and to strengthen the immune system. The salt in the cabin causes a climate full of its typical micro orgasms which cleanse the respiratory tracts efficiently. The air has an advantageous negative fill and also contains important chemical elements for the body like iodine, potassium, calcium, magnesium and selenium.

Medicinal recommendations:

- Asthma bronchiale
- Chronicle
- Chronicle
- Humidity
- Different types of allergy, oversensitivity
- Skin problems (cellulitis)
- Heart and vascular system

- illnesses
- Stomach and duodenal ulcer
- Neurosis, exhausting, stress,

- reduced resistibility
- Thyroid illnesses
- Metabolism disorders

5. Jacuzzi

Jacuzzis used to be luxury goods such as air conditioning or remote controller for doors and gates and garage doors. Nowadays they are getting more and more prevalent. In wellness centres they are indispensable. These facilities serve the comfort of people after a tiring day or they offer great possibilities to relax on a nice summer night. The average temperature of the water is 34-35°C.

The instalment makes spout and bubbles which pleasantly freshen and massage the body. Its physiological effects improve the body's ability to protect itself and enhance the self-care mechanisms. Their effects are almost the same as that of the hydro massage. The difference is that a Jacuzzi does not need a masseur and you can try it with your friends.

6. Pool

It is a 6mx10m large pool with warm water and it is equipped with a counter-flow and fun elements.

7. Children's pool

There is a pool of warm water and it is equipped with a slider which is a great opportunity for children to have fun.
